

PHILIPPINES

This new year 2017, will be our fifth year here in the Philippines. God has shown Himself once again to be so amazing.

Nancy and I want to thank everyone who has been standing with us in fellowship, prayer and support. You have helped us make this past year our most productive since our arrival in the Philippines and have allowed God to use Nancy and me to touch many people's lives through personal ministry and teaching.

God has shown us in part His strategy for us for this upcoming year and we need your help to continue to move ahead in 2017. Please prayerfully agree to stand with Nancy and me to support us in prayer and through monthly tax-deductible giving.

Thank you for helping us in making these incredible victories in 2016:

- Paul has continued to travel to churches throughout the country during this last year and has delivered 48 messages and conducts weekly study groups.*
- We have started two mentoring/discipleship programs that are currently affecting 14 newly appointed pastors or potentially future pastors over three different denominations. Many pastors here have never actually ever received any type of training. We are also exploring ways to record these sessions and make them available to remote parts of the Philippines through the internet.*
- Paul continues to work with all branches of the Philippines Armed Forces and other ministries that are bringing the Gospel throughout the Philippines and beyond.*

We are so thankful for what we have been able to accomplish together in 2016. Your partnership with our ministry is a crucial component in being able to complete the work that is before us. Unfortunately, our support continues to drop and we are operating at 30% of our actual ministerial expenses. While we have been able to participate in several activities, the truth is, for every opportunity we are able to accept there are four others we have to turn down simply because we don't have the resources to participate. Most of the places we travel to do not have the resources to assist with our travel expenses or lodging. We are asking that you prayerfully seek the Lord in partnering with us.

If you want to help support this ministry and the work it will be doing you can use the enclosed form to send a onetime special gift or you can also support us on a recurring monthly basis. This helps us with our monthly operations and allows us to budget for the different ongoing projects.

Another way that you can help is if your church has a missions department; please ask through your senior pastor if the congregation would prayerfully consider supporting us on an ongoing monthly basis.

All contributions, regardless of the amount are important to us and are tax-deductible in the year that they are received.

The best is yet to come. Please consider standing with us with your tax-deductible support. Together we can make a Kingdom difference in 2017.

Shalom and Blessings

Paul + Nancy
